

MYC CRUISE TO THE BOSTON ISLANDS 2009

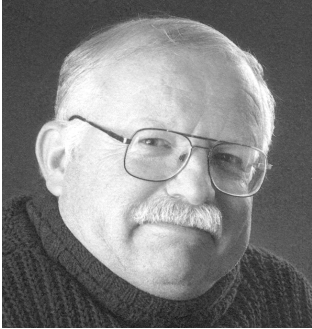

It's not too early to start thinking about this summer and the cruise this year looks like it will be to the islands of Boston harbor. August 22 weekend is the tentative date and the plan is to stay overnight at the marina on spectacle island. Look on their website for more information.

http://www.bostonislands.org/isle_spectacle.asp It is reasonable and lots of folks have never been on any of the islands. There is a shuttle between the islands and the city which would be good for those who don't want to bring their boats into the harbor.

I am looking for suggestions and help in making this another great cruise. Would you please reply in email if this is of interest to you or do you have any other sites close by that would be fun for a weekend destination. It's not cast in stone but looks like a good idea. I am also looking for a rough head count of members that would be interested in going so I can coordinate with the marina to reserve space. This might sound

early but it's a short season and space is at a premium. There will be a sign up sheet in the club.

My email is home2inspect@comcast.net
